Terms of Reference for an expert/consultant for learning management system and social/professional network

1 Project background and context

As the worldwide first technical contact of the Cameroonian Diaspora, the association of Cameroonian engineers and computer scientists (VKII e. V.) has distinguished itself for nearly fifteen years through the development of technology-based solutions in Cameroon as well as abroad. In addition to its numerous projects, the VKII promotes excellence within the global Cameroonian society through its highly interesting activities such as its Mentoring program, its symposium or different seminars and awards.

Within the scope of their respective development activities, VKII and DÄSAV (the German-Ethiopian students and academics Association associations) have joined together in order to initiate the project „Diaspora Supported Education, Knowledge, Technology and Entrepreneurship in Africa“ (DiSEKTEA). During a pilot phase, an e-learning platform has been successfully developed, well tested and implemented.

To manage the technical support and maintenance of the learning platform in the framework of the new project phase of DiSEKTEA, VKII is searching for a consultant. The project is largely funded by the Centre for International Migration and Development (CIM).
